

New Product

Highest Specs of the series in the past!

Additional Function: FLAT DRILL

All types of grinding is possible with this one machine!!

**Desk Top Type
Automatic Drill Sharpener**

X^{*}in
GALAXY GRIND PRO

MADE IN JAPAN

Benefits of Introduction

Merit①

Automatic Detection • Automatic Grinding!

Merit②

Reduce outsourcing costs!

Merit③

Drill purchase costs can be significantly reduced in the lead time by outsourcing!

Merit④

High-precision quality with sensor management!

Easy Operation with touch panel!!

Setting is very easy with an illustration!

Memory is 160 data!
